Changes to Scholastic Book Orders

This year Scholastic will be changing to online access: Online catalogues, online order forms, online payment, and home delivery.

This opens up a lot of freedom for you and your family because you can order at any time and you are able to have the books shipped straight to your home.

In order to continue supporting our classroom library, I would like to ask that you use our class code to submit your orders (class code is below). 20% of all purchases goes towards our classroom library.

There is FREE delivery if you spend $35 or more on an order — but what if you don't have an order that large?

1.) You may choose to pay the shipping fees.

2.) You may choose to send payment (plus tax) to school and I will add it onto my classroom order. I will be submitting classroom orders on the 15th of every month. I will have a form available to fill out, which you can send to school along with the payment for the book (ex. If you are looking to purchase a $3 book, you can send $3 (plus tax), along with the completed form by the 15th of the month. I will order the book and when it ships to the school, I will send it home with your child when it arrives).
