Welcome Families, to the 4B class!

How has the first month of school already flown by?!?! We have been keeping busy and having fun. We're learning to adjust to masks, frequent hand-washing, the constant feel of hand sanitizer on our hands, gym classes outside, and keeping our distance. Through it all we're having fun at the students are enjoying learning and playing with their friends

Here's a little bit of what we are doing in class:

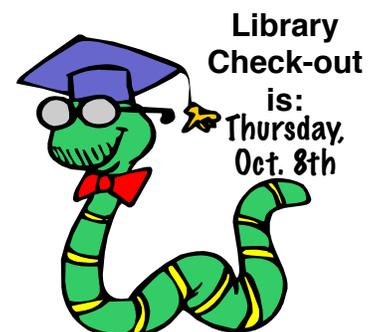

Language Arts: We are still working on our novel Because of Winn Dixie. We had our first Lit. Circle meeting on Monday and it went really well. The students did contributing to discussions and sharing their job with their group. After reading up to chapter 12, we are finishing our second meeting this coming Monday. Some students may have some finish-up work coming home over the weekend so they can be ready for their meeting.

Science: We finished learning about Metamorphic rocks this week and now we will spend time reviewing the three types of rocks (Sedimentary, Igneous and Metamorphic). There will be an opportunity for a re-quiz on **Wednesday, Oct. 7th**. Any student who wishes to re-do one, two, or all three of their previous quizzes will be given the chance to do so on Wednesday.

Math: This week we looked at comparing numbers by sorting them greatest to least and least to greatest. We also learned how to use the greater than and less than symbols. Next week we will look at rounding numbers off to the nearest 10, 100 and 1000.

Blessings,

Hosea
Joel
Amos
Obadiah
Jonah
Micah
Nahum
Habakkuk
Zephaniah
Haggai
Zechariah
Malachi

For your information

-**Scholastic Book Orders** - Just a reminder that you can order Scholastic Book orders online. Use our class code (RC209359) to help the class earn points towards free books for our classroom! If you would like to submit a smaller order, please use the attached form (which you can request at any time). I will be submitting an order on the 15th of every month.

-**Grade 4 Bible Assembly** - At Calvin Christian School it is a tradition that the grade 4 students are presented with their own Bibles from the school to be used in their daily studies and to help guide in their spiritual growth. Usually we would have had an assembly and invited families to join us in watching the class receive their Bibles, but with current restrictions in place we are unable to have that kind of assembly. We are currently working on our Plan B and hope to include you in this celebration in a different way this year. Stay tuned for more details!!
