No School Thanksgiving Monday 		P.E. (gym clothes)	P.E. (gym clothes)	-Spelling test 

Greeting 4B Families.

Another week has just flown by and somehow we are already finished our first full week of October! I hope that everyone enjoys the long weekend with your family.

Here's a little bit of what we are doing in class:

Language Arts: The students have fallen into a nice groove during our lit. Circles as we continue to work our way through *Because of Winn Dixie*. We are now half way through the novel. It has been great to hear students reflecting on what they have read and sharing thoughts, ideas, and questions with one another when they meet.

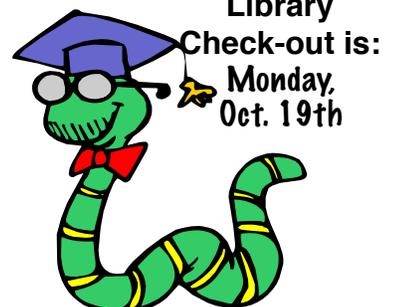

Science: Now that we are done learning about the three classes of rocks, *sedimentary, igneous and metamorphic*. Next week we will begin looking at three types of erosion; wind, water, and ice erosion. In preparation for learning about erosion we took a walk to "the forest" to test out water erosion ourselves. I will post some videos and pictures on Seesaw from our excursion!

Bible Project: This week, students talked about an upcoming Bible project with Mrs. Kamerman. The students are very eager to start so if your child is ready to work on it already this weekend, that is great. See the attached sheets for all the details. If you have any questions, please contact Mrs. Kamerman directly:
kamermany@calvinchristian.mb.ca

Typing: We are just over half way through our 21-day typing blitz this week. I have been impressed by everyone's progress and the hard work they're putting into learning the type. Remember that students can type at home as well. The website is www.typing.com and their username and password is in their agenda book.

Math: We are nearing the end of our place value unit. Next week, we will continue to work on rounding numbers to the nearest tens, hundreds, and thousands place. Finally, we will look at how to sort and categorize numbers based on their properties.

Blessings,
Shauna Leferink <>

22. concordance
23. subtraction
24. addition
25. estimation

Bible Memory - There will be no Bible Memory work this week to allow time to work on the Bible project.

For your information

-**Spelling City:** For those of you looking for additional ways to help your child study and prepare for their weekly spelling tests, you can check out the new link on our RESOURCES page on the class website that will take you to spellingcity.com. Our weekly spelling lists have been uploaded onto the site and you have access to games and activities to help them study.

Please note that I have added the 18 words that we use in our workbook. Teacher words and challenge words have not been added because they can change from year-to-year.

-**Scholastic:** Just a reminder that you may order from Scholastic at any time and Scholastic will ship books DIRECTLY to your home. If you have a small order, you fill in the paper order form and send it to the class anytime before the 20th of each month (I've moved it back by 5 days because Scholastic doesn't send out their new order forms until the week of the 12th each month).

-Remember when you are ordering books to make sure that you use our class code so that our class earns points towards our classroom library!!

4B Classroom Code: RC209359
