Greetings Families!

Another week has flown by!!! We have been enjoying beginning all of our new units in the last couple of weeks and learning many new things! This nice weather has also helped for all our outdoor escapades!

Here's a little bit of what we are doing in class:

**Science:** Next week we will be looking at the different vocabulary associated with our unit and will have a quiz the following week. A review paper will come home later this week to look at over the weekend. The goal will be for students to have a good understanding of the vocabulary AND to be able to apply the definitions. This week we learned about the vocabulary words: **habitat**, **population**, and **community**. Next week, we will be learning about **carnivores**, **herbivores**, and **omnivores**.

**Math:** This week we began looking at our first strategy for adding multi-digit numbers. The students worked through a number of pages using this strategy and we will continue working next week. Please see an example of the strategy on the back of this page.

**Language Arts:** We are finished our first 3 chapters of The Dragonling. Next week, we will continue to read the story and have a chance to do activities and writing related to what we read!

Blessings,

Library  
 Check-out  
 is:  
 Monday,  
 Nov. 23rd

Spelling Words  
Lesson 9 - time and  
calendar words

1. Tuesday
2. Wednesday
3. Thursday
4. Saturday
5. January
6. February
7. July
8. August
9. September
10. November
11. month
12. year
13. holiday
14. autumn
15. season
16. calendar
17. second
18. minute

- Teacher Words
19. prey
  20. addition

- Challenge Words
21. predator
  22. scavenger
  23. carnivore
  24. herbivore
  25. omnivore

Bible Memory - Due Thursday, Nov. 26th

"And my God will supply every need of yours  
according to his riches in glory  
in Christ Jesus."

Philippians 4:19

\*\*\* Students should be able to:

1. recite the verse
2. know where the verse is found
3. know what the verse means

For your information

-**Koats for Kids:** This is the final week to bring in donations!! Remember, the Grade 5 is collecting gently used, clean coats, hats, mittens, and boots in kid sizes. The need in Winnipeg is greater than ever with financial strains and PE classes being held outside due to Covid. If you have an item to donate please send it to school in a plastic bag. There will be a collection bin in the hallway by the library for the entire month of November. Thanks so much!

-**Break Apart Strategy:** Here is an example of the math strategy we have been using to complete our addition work.

$$\begin{array}{r} 1.) \quad 67 + 25 \\ = 60 + 20 \quad \text{and} \quad 7 + 5 \\ \hline 1. \text{ Group the tens} \quad 2. \text{ Group the ones} \\ \hline = 80 + 12 \\ \hline 3. \text{ Add up tens} \quad 4. \text{ Add up ones} \\ \hline = 92 \\ \hline 5. \text{ Combine} \end{array}$$
