Welcome Families, to the 4B class!

I think that our whole class really enjoyed the warmer weather this week! We took advantage by spending some extra time outside and everyone was eager to go out for recess and gym class!

Here's a little bit of what we are doing in class:

Science: We completed our Rocks, Minerals, and Erosion test this week. Tests will come home on Monday to be signed. Next week, we will begin our unit on OWLS! I know that students always look forward to this unit and can't wait to learn all about owls and their habitat.

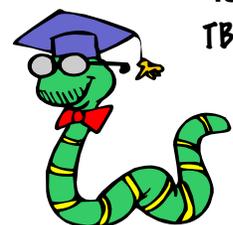

Math: We finished up our Place Value Unit in math this week, with our final test. Tests will come home on Monday to be signed. Next week, we will begin our addition unit. We will be practicing our addition facts, as well as learning strategies to add multi-digit numbers.

Language Arts: Now that we have wrapped up our novel, Because of Winn Dixie, we will be completing a final project and this coming week we will take time to watch the movie together on Tuesday (see the back of the newsletter for more details). Our next novel will be The Dragonling.

Blessings,

For your information

- **Koats for Kids:** Grade 5 is collecting gently used, clean coats, hats, mittens, and boots in kid sizes. The need in Winnipeg is greater than ever with financial strains and PE classes being held outside due to Covid. If you have an item to donate please send it to school in a plastic bag. There will be a collection bin in the hallway by the library for the entire month of November. Thanks so much!

- **Movie Tuesday:** We will be having a movie afternoon on Tuesday to watch Because of Winn Dixie together. Students may pack an extra snack that day to enjoy during the movie. They may also bring in a pillow and/or blanket and/or stuffy so they can get comfortable while they enjoy the movie.

- **Parent-Teacher Conferences:** I look forward to connecting with parents this Thursday evening OR Friday during the day. I can't wait to brag to you about your own children and make goals for our school year. It sounds like all conferences will be taking a virtual route... stay tuned for more details!!
