## Bible Memory - due Friday, March 2nd

"Finally, brothers and sisters,  
whatever is true, whatever is noble,  
whatever is right, whatever is pure,  
whatever is lovely, whatever is admirable —  
if anything is excellent or praiseworthy —  
think about such things."

Philippians 4:8

## For your information

- **Multiplication** - We have been working with our first multiplication strategy; the **Area model**. This strategy teaches students how to decompose the multi-digit number before multiplying. All the students are off to a great start!

1.)  $5 \times 82 =$

	80	2
5	400	10

$$\begin{array}{r} 400 \\ + 10 \\ \hline 410 \end{array}$$

-**Gym Clothes** - I will be sending home all the gym clothes home over spring break to be washed and then you can send them back on April 1st!
