## Highlights of the week

- ❖ The game boards that students have been working on are FANTASTIC and they are having a lot of fun playing them.
- ❖ We were so excited to welcome our grandparents in our class on Friday. We got to share our art, our board games, and our choir songs with them.
- ❖ Badminton has been a lot of fun in gym class and we have been getting a lot of game time into our class.

## For your information

-**Multiplication Facts** - We will continue to work on our 9x facts next week AND we will be doing a few days where we will combine all of the facts we have learned so far (1x, 2x, 3x, 5x, 6x, 9x, and 10x). Students should continue to practice their facts at home!

- **Spring Concert** - The **Spring Concert is this Thursday, May 2nd at 7:00pm at Covenant CRC** (653 Knowles Ave.). The grade 3/4 choir has been working very hard to prepare their songs and sound amazing! The doors at Covenant Christian Reformed Church will open at 6:30. I look forward to seeing the students of 4B perform for their school community on Thursday! See you there.

-**Stop Motion** - We will be learning to use stop motion in class. Next week, we need students to bring in small toys that they can use to help them practice the skills in stop motion before we begin working on our project!

- **Thank-you Grandparents** - Thank-you so much to all of the grandparents who visited our classroom today. We had so much fun showing you around, playing our board games with you, and singing our songs for you!
