Highlights of the week

- ✘ We started working in Keynote in the computer lab and we are learning how to make an interactive game.
- ✘ We started reading our next novel Owls in the Family. 
- ✘ We used Art for Kids to help us create a title page for our Owls in the Family work in our Reading duotang. The owls looked great!

For your information

- **Christmas Countdown:** We are going to do a Christmas countdown in grade four. Each day, we will countdown how many days until the Christmas break and we will either do something a little different for the day or have a special treat. Check out the calendar to see what is happening each day. We will also send reminders home in the agenda book, if student's need to dress/come prepared for one of the activities/

events. We will also be doing **Thoughtful Thursdays** where we will be doing things that will be helpful and impact others in our school, our city or beyond.

- **Math Test:** We are starting to review the work we have been doing in our addition unit and we will aim to have a math test on **Tuesday, December 3rd**. Our next unit will be subtraction!

- **Christmas Concert:** The Christmas Concert is on Thursday, November 28th. The students have been working really hard as they learn all their pieces for the concert and they sound amazing. The concert is at 7:00pm and doors will open at 6:30pm at North Kildonan MB Church. We will see you there!
